

Client Meeting - April 8th, 11:30 - 11:50 am PST

Team updates for the client:

- ECO solutions edit - add/delete sections and solutions implemented
- Link path names updated
- ECO solutions linking now possible in article content edit
- Aesthetics: both login/sign up options visible; Updates website title and icon displayed on tab

Client updates and questions:

- Bug fix: when a solution/section is removed and an article eco solutions segment is empty, it currently doesn't auto-delete
- Get rid of the add-data page
- Individual Eco solutions and large scale ECO solutions are 2 separate segments
