**Progress**

- Finished week 2 and week 3 tutorials for JavaScript
  - Week 2; CSS basics
  - Week 3; Project coding practices
- Finished first half of week 1 angular course
  - Intro to angular framework
- PDF for requirements milestone
  - Mostly finished

### Individual Tasks:

- Video Presentation for requirements milestone finished and submitted, Split into :
  - **Sumeet - Intro/User groups/Functional and nonfunctional requirements**
  - **Eric - DFD**
  - **Megan - Chosen Tech stack/Tech stack options**
  - **Larry - How implemented functions are going to be tested**
- Megan worked on wireframe to show to clients at previous meeting
  - Initial draft finished and shown to clients
  - Obtained feedback from clients on how to improve UI design

### **Blockers + Surprises**

- Everything for this week was completed on schedule
  - No surprises this last week

## **2. Learning Activity**

- Continued learning for angular and Ionic fundamentals before coding begins

## **3. Plan**

### **Shared Group Tasks for this week:**

- Refresher courses on coursera
  - JavaScript weeks 4
  - Week 2 of Angular Course
- Finish requirements milestone PDF
  - PDF document
  - Read evaluations given by other groups
  - Incorporate evaluations into PDF
- Submit Git Stats for previous weeks work

### **Individual Tasks for this week:**

- Group evaluations
  - Watch other groups projects presentations
  - Compile responses for group evaluations into PDF to submit on canvas
  - Split Watching Presentations into:
    - **Sumeet - Ethics Dashboard/ Woo Woo**
    - **Eric - Lims/ AGMeeting**
    - **Megan - Checklick/Cyclops**
    - **Larry - MIM/Tracing**
- Megan is working/updating wireframe after clients review

**Learning activities proposed for this week:**

1. Main focus is definitely on the angular coursera course, to keep gaining more knowledge on how angular will work.
2. Still to get a better understanding on Ionic and its components

**Goals for Requirements Milestone:**

1. Group evaluations of other groups presentations due October 15th at midnight
2. Completed PDF due October 20th
  - Include responses to other group evaluations
