Client Meeting - September 22nd, 2:30 - 3:30pm PST
- Introductions from all members and the client
- Presentation from the client on Cyclops (Presentation slides will be posted in Discord)
  - Details on what the website currently offers and how the app will expand on this
    - Reduce carbon footprint through education and an eco tracker
  - Milestones and timeline:
    - MVP by December 2021 and finished app by April 2022
  - Requirements for the MVP, and future plans once the app is finished
- Groups to present a rough plan for MVP next week
- The client will send a Discord invite after the meeting for future communication
